

# Nomination Form

## Notes for Entrants

For practical reasons, assessment of entries will be carried out based on information supplied on the entry form. Short listed projects will be presented to the panel and visited by the panel to verify suitability for the Award. Project chances are restricted when entries are not supported by sufficient material. Entries will not be returned.

*"The project qualities are not judged on the architecture or the interior design but are based wholly on the quality of painting"*

## Assessment Procedure

All forms must be completed by entrants, plus further documentation if required and the site visited by the panel.

## Judging Panel

Generally, may consist of 2 persons including a chairman with a casting vote. One Judge may assist in more than one category.

Judges should have the purpose of illustrating and defining the standards used for judging to the members of the public.

"These awards provide an opportunity for you to show the quality of your work to the industry, and also to use a marketing tool to promote your business as a nominee/winner of your "Industries Top Award" to your potential customers."

## Conditions of Entry

Each submission shall be accompanied by three A4 size photographs of the project suitable for display purposes as a minimum requirement. If photos are not supplied the project will not be considered.

The prescribed nomination form completed and signed. The nomination fee paid.

## Entry dates & Fees:

The awards are for projects completed from 1st January 2019 to 30th September 2020, evidence of the practical completion of the work must be shown. All entries must be received by 5pm on Friday the 2nd of September 2020, late entries will not be accepted.

The nominator shall obtain the clients written permission for any publicity of which may result from the Awards program. It is also acceptable if the owner of the property does not want the location identified.

All nominees must be members of the Master Painters, Decorators & Signwriters Association of QLD.

The PROPERTY OWNER must give CONSENT for their property to be entered.

The MPA will contact the owner directly to arrange a meeting for the judging to take place. Additional photos of the work entered may be taken by the judge at this time.

Fee Structure:

Nomination fee: **\$150** Additional nominations from the same Company: **\$125**

Please note that the "AWARDS FOR EXCELLENCE" is only open to Master Painters, Decorators and Signwriters Association of QLD members only.

Please submit this nomination form on completion of your project as judging will be carried out throughout the year.

## Clarification of Categories:

**Heritage Restoration:** Restoring a Building or Residence to its original heritage condition and need not necessarily include decorative finishes.

**All Categories:** All or part of a project may be submitted under one or more categories. Industrial projects will come under the Commercial category unless a valid reason can be given to create a separate category, i.e. Special finishes. Judges may recommend a special category be created if there are projects submitted which relate more specifically to another area. Judges may recommend that your entry change category, with your approval, if it is deemed to be more suited to another group.

For any further information please contact the MPA QLD office on 07 3277 8646.

Master Painters, Decorators & Signwriters Association of QLD reserves the right to exhibit and display any or all the entries. All finalists must be prepared to submit further material for exhibition or publication if required. Incomplete entries will not be accepted.
