

Literacy and Numeracy

The following information is taken from the linked websites and is accurate as of October 2025.
Access to services is by decision of the listed organisations (not NICS).

Australian Dyslexia Association

Dyslexia and dysgraphia

How can the ADA assist adults?

- The ADA can help you to understand what dyslexia is and is not
- The ADA can offer adults a pre assessment service to identify dyslexia and or dysgraphia
- They offer a referral to a full assessment if deemed suitable
- The ADA can also offer work place information
- They can also provide information on assistance with student modification and accommodations
- Dyslexia information available for employers
- ADA can also personalise the information you may need, since we realise that each adult's needs may be different.
